Box 33, Mentor, Ohio

HISTORIC ROSES

The unrivaled hardiness and fragrance of the Roses of Antiquity insures them a place in every garden. Old Roses are almost foolproof, preferring an average soil and resenting complicated dusts and sprays. Their refreshing variety of forms fits them for background to your hybrid teas or enriches your herb garden, shrub borders, or estate drives. Our collection of true Old Roses compares favorably with those of the most prominent specialists. Our list of Hybrid Perpetuals comprises over fifty varieties. We give dates for your convenience, as any rose developed before 1900 qualifies as "Old-Fashioned". The Older Climbers, Ramblers, and Musks are out of general commerce and offer carefully selected rarities to delight your taste for the unusual. If you are searching for a favorite old rose, let us help you find it.

**ALL ROSES LISTED ARE \$2.00 EACH
OR 12 FOR \$20.00**
